

SPECIFICATION

Product Finish:	Matt White
Material:	Steel, Glass
Construction:	Pressed Steel, Glass
Luminaire Shape:	Round
Luminaire Fixing:	Recess mounted
Fire Rating:	30, 60, 90 Minutes

DESCRIPTION

The Allied GU10 Holder Fire Rated Downlight is a safe and attractive fitting for a GU10 or MR16 LED lamp. The fully open design of the GU10 Holder does not conceal your lamp in a large metal canister, which can trap some of the heat it generates, lowering lamp lifetime and performance. Lamps installed in an GU10 Holder run at up to 10°C cooler than a typical can-style fire rated downlight from leading LED brands - this can extend the lifetime of your lamps.
